  - 2. Staff leading instruction during camps will be required to wear a mask when physical distancing is not possible.

3. Parents/visitors are to drop off their camper(s) directly to the designated instruction area.
  4. Parents/visitors dropping off campers may stay to observe camp at our outdoor facilities respecting physical distancing measures. However, parents/visitors will be asked to wait outside of the Elmen Center (or in their car) for camps utilizing the Elmen Center. **NO SPECTATORS FOR CAMPS INSIDE THE ELMEN CENTER.**

  1. Hand sanitizer will be plentiful and available to utilize.
- C. Attendance of participants will be tracked electronically via online camp registrations. The parent/visitor who drops off camper(s) will be asked to be present during the screening process, where staff will be recording who is responsible for the camper(s) at that time.
